

Elect  
**Christine Moore**  
to the Orange County Commission #2

# VALUING PUBLIC EDUCATION

## EXPERIENCE MATTERS

- ◆ Serving you on the school board, Christine spearheaded the creation of two new tech centers for job training.
- ◆ Christine Moore delivered on the creation of 18 new schools in the district during her ten-year tenure in the legislature.
- ◆ Christine already demonstrated her commitment to every community in the district by voting to rebuild Evans High School in Pine Hills.
- ◆ Being a musician herself, Christine has always prioritized keeping arts, athletics, and extra-cirricular programs in our schools, even in the wake of state funding setbacks.
- ◆ The board controls an annual budget \$4.2 billion dollars. Christine knows what it takes to be fiscally responsible.

*You can't have a plan if you don't know where you are or where you were. There is a reason we outline our plans right now, with a full evaluation of the past. As your commissioner, I will work every day to see where and what we can improve.*
